EXPLANATORY STATEMENT PURSUANT TO SECTION 102 OF THE COMPANIES ACT, 2013

Item No.1 : Regularisation and Re-Appointment of Statutory Auditors

M/s HD Gupta & Associates LLP, Chartered Accountants (FRN 023017N), were appointed by the Board of Directors to fill the casual vacancy caused by the resignation of the previous statutory auditors, in accordance with Section 139(8) of the Companies Act, 2013. Their appointment was subsequently ratified by the members at the Extra-Ordinary General Meeting held on 08 November 2024, and they served as Statutory Auditors for the financial year 2024–25.

In terms of Section 139(1) of the Companies Act, 2013, read with Rule 3 of the Companies (Audit and Auditors) Rules, 2014, it is now proposed to regularise and re-appoint M/s HD Gupta & Associates LLP as Statutory Auditors of the Company for a period of five consecutive years commencing from the conclusion of the 31st Annual General Meeting until the conclusion of the 36th Annual General Meeting to be held in the calendar year 2030 (for the Financial Year 2025-26 to 2029-30).

The Audit Committee and the Board of Directors have recommended their re-appointment, considering their performance, domain expertise, and familiarity with the Company's operations. The proposed remuneration shall be determined by the Board in consultation with the auditors and shall be in line with industry norms.

None of the Directors, Key Managerial Personnel or their relatives are concerned or interested in the resolution.

The Board recommends the resolution for approval of the members as an Ordinary Resolution.

Item 2: Reclassification of Promoter Group

The Company has received requests from Mr. Satish Gogia, former Managing Director, and *Satish Gogia HUF* for reclassification from the 'Promoter and Promoter Group' category to the 'Public' category under Regulation 31A of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 ("SEBI LODR Regulations").

Mr. Satish Gogia has transferred his entire shareholding in the Company, including the shareholding held through his Hindu Undivided Family (HUF) account, to Mr. Ankur Gogia, who has been appointed as the Managing Director of the Company. Pursuant to such transfer, neither Mr. Satish Gogia nor *Satish Gogia HUF* holds any shares or exercises any control over the Company. They also do not have any special rights through formal or informal arrangements, nor do they influence the management or policy decisions of the Company.

In view of the above, and in compliance with the conditions prescribed under Regulation 31A of the SEBI LODR Regulations, the Board recommends the reclassification of Mr. Satish Gogia and *Satish Gogia HUF* from the 'Promoter and Promoter Group' category to the 'Public' category.

Simultaneously, Mr. Ankur Gogia (DIN: 05186598), who now holds the entire transferred shareholding and has assumed executive control as Managing Director, is proposed to be reclassified from the 'Public' category to the 'Promoter and Promoter Group' category.

The proposed reclassification is subject to approval of the shareholders and subsequent approval by the stock exchange(s), in accordance with the SEBI LODR Regulations.

None of the Directors, Key Managerial Personnel, or their relatives, except Mr. Ankur Gogia to the extent of his proposed reclassification, are concerned or interested in the resolution.

The Board recommends the resolution for approval of the members as an Ordinary.

3. Regularisation of Appointment of Mr. Ankur Gogia as Managing Director

The Board of Directors, at its meeting held on July 21, 2025, appointed Mr. Ankur Gogia (DIN: 05186598) as an Additional Director of the Company and simultaneously designated him as Managing Director for a term of five years, effective from the same date, subject to approval of the shareholders.

In accordance with the provisions of Sections 196, 197 and 198 read with Schedule V of the Companies Act, 2013, the Company proposes to pay Mr. Ankur Gogia a monthly remuneration of ₹3,50,000 (Rupees Three Lakhs Fifty Thousand only), aggregating to ₹42,00,000 (Rupees Forty-Two Lakhs only) per annum.

As per Schedule V of the Companies Act, 2013, the maximum permissible managerial remuneration for companies having effective capital between ₹5 crores and ₹100 crores is ₹84,00,000 (Rupees Eighty-Four Lakhs only) per annum, without requiring Central Government approval, provided the conditions specified in Part II of Schedule V are met. The proposed remuneration is well within this ceiling and is in line with the financial position and growth strategy of the Company.

Mr. Ankur Gogia brings relevant leadership experience and strategic insight to the Company, and the Board believes that the proposed remuneration is commensurate with his role and responsibilities.

None of the Directors, Key Managerial Personnel, or their relatives, except Mr. Ankur Gogia to the extent of his appointment and remuneration, are concerned or interested in the resolution.

The Board recommends the resolution for approval of the members as an Ordinary Resolution.

Item No. 4: Recording of Executive Tenure of Mr. Satish Gogia as Managing Director

Mr. Satish Gogia (DIN: 00932987), a founding promoter of the Company, had previously served as Managing Director until 02nd April 2022. Following the conclusion of his formal tenure, he continued to serve on the Board as a Non-Executive Director, having been reappointed under Section 152 of the Companies Act, 2013 at each subsequent Annual General Meeting.

During the period from 03rd April 2022 to 21st July 2025, Mr. Satish Gogia continued to discharge executive responsibilities and provide strategic leadership under the oversight of the Board. His resignation from the Board was tendered on 21st July 2025, and a new Managing Director has since been appointed effective the same date.

The Board now seeks the Members' approval to formally acknowledge and document the executive tenure of Mr. Satish Gogia during the aforementioned period, in order to maintain a complete and accurate governance record. The intent of this resolution is to record the executive leadership provided by Mr. Satish Gogia during the specified period, in alignment with the Company's strategic direction and Board oversight, without invoking the provisions of Section 196. None of the Directors, Key Managerial Personnel or their relatives, except Mr. Satish Gogia, to the extent of his tenure, is concerned or interested in the resolution.

5. Approval for shifting of Registered Office and consequent alteration of Memorandum of Association and Articles of Association

The Registered Office of the Company is presently situated at *The Capital Court, 6th Floor, Olof Palme Marg, Munirka, Delhi – 110067*. For administrative convenience, operational efficiency, and ease of management, it is proposed to shift the Registered Office of the Company to *B-4/51, Safdarjung Enclave, Delhi – 110 029*.

The shifting of the Registered Office is **within the local limits of the city of New Delhi**, and therefore, in terms of the provisions of **Section 12(5) of the Companies Act, 2013 read with applicable Rules**, approval of the Members of the Company is required.

Since the Registered Office address is specifically mentioned in the **Clause II of the Memorandum of Association**, it is necessary to alter the said Clause to reflect the new address. Further, wherever reference to the Registered Office exists in the **Articles of Association**, consequential changes are also required.

In accordance with **Sections 13 and 14 of the Companies Act, 2013**, any alteration of the Memorandum of Association and Articles of Association requires the approval of the shareholders by way of a **Special Resolution**.

The Board of Directors, at its meeting held on 14/08/2025, approved the proposal for shifting of the Registered Office and the consequent alterations in the MOA and AOA of the Company, subject to the approval of the shareholders.

The draft copies of the proposed amended Memorandum and Articles of Association of the Company are available for inspection by the Members at the Registered Office of the Company during business hours on all working days (except Saturdays, Sundays and public holidays) up to the date of the Annual General Meeting and will also be available for inspection at the Meeting.

None of the Directors and Key Managerial Personnel of the Company and their relatives are concerned or interested, financially or otherwise, in the proposed Resolution except to the extent of their shareholding, if any, in the Company. The Board recommends the Resolution set out in Item No. 5 of the accompanying Notice for approval of the Members as a **Special Resolution**.

6. Appointment of Secretarial Auditor

Pursuant to Section 204 of the Companies Act, 2013 and the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014, the Company is required to appoint a Secretarial Auditor. The Board recommends the appointment of M/s Arpit Garg, Company Secretaries (COP No. 22703), for a term of five financial years from FY 2025–26 to FY 2029–30.

None of the Directors or KMPs or their relatives are concerned or interested in the resolution.

INDEPENDENT AUDITOR'S REPORT

Auditor's Report On Quarterly Financial Results and Year to Date Audited Standalone Financial Results of the Company Pursuant to the Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015

**TO THE BOARD OF DIRECTORS OF
Gogia Capital Growth Limited**

Opinion

We have audited the accompanying standalone annual financial results of Gogia Capital Growth Limited for the quarter ended 31.03.2025 and the year ended 31st March 2025 ("the Statement" or "Standalone annual financial results"), attached herewith, being submitted by the company pursuant to the requirement of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 as amended ("the Listing Regulations").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Statement:

- i. are presented in accordance with the requirements of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 in this regard; and
- ii. give a true and fair view of the net profit/ loss and other financial information for the quarter ended 31.03.2025 as well as for the year ended 31st March 2025

We conducted our audit in accordance with the Standards on Auditing ("SAs") specified under Section 143(10) of the Companies Act, 2013 ("the Act"). Our responsibilities under those SAs are further described in the Auditor's Responsibilities for the Audit of the Standalone Annual Financial Results section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ("ICAI") together with the ethical requirements that are relevant to our audit of the standalone annual financial results under the provisions of the Act and the Rules thereunder, and we have fulfilled our ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our unmodified audit opinion. Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial controls with reference to Standalone Financial Statements.

Material Uncertainty relating to Going Concern

We draw attention to the note in the financial statements regarding Going Concern, where the NSE has temporarily suspended trading terminals due to irregularity issues during the year ended March 31, 2025. These events indicate the existence of uncertainty that may cast significant doubt on the Company's ability to continue as a going concern. However, considering the Company's conclusion regarding resolving the matter with the relevant authority, restoring normal business operations, and other measures mentioned in the aforementioned note, the financial statements have been prepared on a going-concern basis. Our opinion is not modified in respect of this matter.

Management's Responsibilities for the Standalone Annual Financial Results

This Statement has been prepared on the basis of standalone annual financial results. The Company's management is responsible for the preparation and presentation of the Statement

that give a true and fair view of the net loss and total comprehensive loss and other financial information in accordance with the recognition and measurement principles laid down in the applicable Indian Accounting Standards prescribed under Section 133 of the Act read with relevant rules issued thereunder and other accounting principles generally accepted in India and in compliance with Regulation 33 of the Listing Regulations. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditor's responsibilities for the audit of the Standalone Annual Financial Results

Our objectives are to obtain reasonable assurance about whether the standalone financial results as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone financial results, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial results

represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Other Matter

The standalone financial results include the results for the quarter ended 31 March 2025 and the corresponding quarter ended in the previous year being the balancing figures between the audited figures in respect of the full financial year and the published unaudited year to date figures up to the third quarter of the relevant financial year which were subject to limited review by us and previous auditor.

GOGIA CAPITAL GROWTH LIMITED

NOTES TO THE STANDALONE FINANCIAL STATEMENTS

1) Company overview

Gogia Capital Growth Limited ('the Company') was incorporated in India on June 16th, 1994 under the Companies Act, 1956 with its Registered Office at New Delhi CIN NO. L74899DL1994PLC059674.

This company is engaged in providing Stock and Commodity Broking Services to Corporates and Individuals and the shares of the company are listed on BSE.

1. Significant Accounting Policies

2.1 Basis of preparation of financial statements

These financial statements are prepared in accordance with Indian Accounting Standards (IND AS) under the historical cost convention on the accrual basis except for certain financial instruments which are measured at fair values, the provisions of the Companies Act, 2013 ('Act') (to the extent notified).

The Company has adopted IND AS standards and the adoption was carried out in accordance with IND-AS 101 First time adoption of Indian Accounting Standards. The transition was carried out from Indian Accounting Principles generally accepted in India as prescribed under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014 (IGAAP), which was the previous GAAP. Reconciliations and descriptions of the effect of the transition have been summarized in note to accounts.

Accounting policies have been consistently applied except where a newly issued accounting standard is initially adopted or a revision to an existing accounting standard requires a change in the accounting policy hitherto in use.

2.2 Use of estimates

The preparation of the financial statements in conformity with IND AS requires management to make estimates, judgments and assumptions. These estimates, judgments and assumptions affect the application of accounting policies and the reported amounts of assets and liabilities, the disclosures of contingent assets and liabilities at the date of the financial statements and reported amounts of revenues and expenses during the period. Application of accounting policies that require critical accounting estimates involving complex and subjective judgments and the use of assumptions in these financial statements have been disclosed at appropriate places.

Accounting estimates could change from period to period. Actual results could differ from those estimates. Appropriate changes in estimates are made as management becomes aware of changes in circumstances surrounding the estimates. Changes in estimates are reflected in the financial statements in the period in which changes are made and, if material, their effects are disclosed in the notes to the financial statements.

2.3 Current versus Non-Current classification

The Company presents assets and liabilities in the balance sheet based on current/ non-current classification. An asset is treated as current when it is:

- Expected to be realized or intended to be sold or consumed in normal operating cycle,
- Held primarily for the purpose of trading,
- Expected to be realized within twelve months after the reporting period, or
- Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period

All other assets are classified as non-current Trade receivables which are expected to be realised within 12 months from the reporting date shall be classified as current. Outstanding more than 12 months shall be shown as noncurrent only unless efforts for its recovery have been made and it is likely that payment shall be received within 12 months from the reporting date. A Judicious decision shall be taken by units in this regard.

A liability is current when:

- It is expected to be settled in normal operating cycle,
- It is held primarily for the purpose of trading,
- It is due to be settled within twelve months after the reporting period, or
- There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period

A payable shall be classified as Trade Payable if it is in respect of the amount due on account of goods purchased or services received in the normal course of business.

Trade payables which are expected to be settled within 12 months from the reporting date shall be shown as current.

The Company classifies all other liabilities as non-current.
Deferred tax assets and liabilities are classified as non-current assets and liabilities.

2.4

a) Revenue recognition

The Company earns revenue mainly from providing Stock and Commodity Broking Services to Corporate and Individuals and trading in shares and securities.

The Company also earns revenue from rendering depository services. Brokerage income is recognized on the trade data of transaction, upon confirmation of transactions by stock exchange and clients. Income from Depository services and penal charges are recognised on the basis of agreements entered into with clients and when the right to receive income is established. Income/Loss from trading is calculated on net of STT (Security Transaction Tax) paid during the year.

Interest income is recognized using the effective interest rate method.

Dividend income is recognized when the shareholder's right to receive the payment is established which is generally after the shareholder approve the dividend.

b) Employee benefits

i. Short-term obligations

Liabilities for salaries, including non-monetary benefits that are expected to be settled wholly within 12 months after the end of the period in which the employees render the related service are recognised in respect of employees' services up to the end of the reporting period and are measured at the amounts expected to be paid when the liabilities are settled. The liabilities are presented as current employee benefit obligations in the balance sheet.

ii. Other long-term employee benefit obligations

The liabilities for earned leave and sick leave are not expected to be settled wholly within 12 months after the end of the period in which the employees render the related service. They are therefore measured as the present value of expected future payments to be made in respect of services provided by employees up to the end of the reporting period using the projected unit credit method. The benefits are discounted using the market yields at the end of the reporting period that have terms approximating to the terms of the related obligation. Re measurements as a result of experience adjustments and changes in actuarial assumptions are recognised in profit or loss.

The obligations are presented as current liabilities in the balance sheet if the entity does not have an unconditional right to defer settlement for at least twelve months after the reporting period, regardless of when the actual settlement is expected to occur.

iii. Post-employment obligations

The Company operates the following post-employment schemes:

- (a) Defined benefit plans such as gratuity and
- (b) Defined contribution plans such as provident fund.

Defined benefit plans

The Company's gratuity scheme is a defined benefit plan. A defined benefit plan is a post employment benefit plan. The Company's net obligation in respect of defined benefit plans is calculated by estimating the amount of future benefits that employee have earned in return for their services in the current and prior periods.

Defined contribution plans

The company's provident fund scheme is a defined contribution plan. A defined contribution plan is a post employment benefit plan under which an entity pays fixed contributions and will have no obligation to pay further amounts. Obligation for contributions to defined contribution plans are recognised as employees benefit expenses in the statement of Profit and Loss when they are due.

i. Gratuity

Gratuity is a post employment defined benefit plan. The liability recognised in the Balance Sheet in respect of gratuity is the present value of the defined benefit obligation at the Balance Sheet date. The Company's liability is actuarially determined at the end of each year. Actuarial gains/ losses through re-measurement are recognised in other comprehensive income.

ii. Gratuity obligations

The liability or asset recognised in the balance sheet in respect of gratuity plans is the present value of the defined benefit obligation at the end of the reporting period less the fair value of plan assets. The defined benefit obligation is calculated annually by actuaries using the projected unit credit method.

The present value of the defined benefit obligation denominated in INR is determined by discounting the estimated future cash outflows by reference to market yields at the end of the reporting period on government bonds that have terms approximating to the terms of the related obligation. The benefits which are denominated in currency other

than INR, the cash flows are discounted using market yields determined by reference to high-quality corporate bonds that are denominated in the currency in which the benefits will be paid, and that have terms approximating to the terms of the related obligation.

The net interest cost is calculated by applying the discount rate to the net balance of the defined benefit obligation and the fair value of plan assets. This cost is included in employee benefit expense in the statement of profit and loss.

Re-measurement gains and losses arising from experience adjustments and changes in actuarial assumptions are recognised in the period in which they occur, directly in other comprehensive income.

They are included in retained earnings in the statement of changes in equity and in the balance sheet. Changes in the present value of the defined benefit obligation resulting from plan amendments or curtailments are recognised immediately in profit or loss as past service cost.

c) Taxes

Current Tax

The current tax expense for the period is determined as the amount of tax payable in respect of taxable income for the period, based on the applicable income tax rates. Current tax relating to items recognised in other comprehensive income or equity is recognised in other comprehensive income or equity, respectively.

Deferred Tax

Deferred tax is provided using the liability method on temporary differences between the tax bases of assets and liabilities and their carrying amounts for financial reporting purposes at the reporting date.

Deferred tax liabilities are recognised for all taxable temporary differences. Deferred tax assets are recognised for all deductible temporary differences and, the carry forward of unused tax credits and any unused tax losses. Deferred tax assets are recognised to the extent that it is probable that taxable profit will be available against which the deductible temporary differences, the carry forward of unused tax credits and unused tax losses can be utilised.

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the year when the asset is realised or the liability is settled, based on tax rates (and tax laws) that have been enacted at the reporting date.

Deferred tax relating to items recognised in other comprehensive income or equity is recognised in other comprehensive income or equity, respectively.

Deferred tax assets and deferred tax liabilities are offset if a legally enforceable right exists to set off current tax assets against current tax liabilities.

d) Property, plant and equipment

All items of Property, plant and equipment are stated at historical cost less depreciation and impairment if any. Historical cost includes expenditure that is directly attributable to the acquisition of the items until they are ready for use. Subsequent costs are included in the asset's carrying amount or recognized as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the company and the cost of the item can be measured reliably. The carrying amount of any component accounted for as a separate asset is derecognized when replaced. All other repairs and maintenance are charged to profit or loss during the reporting period in which they are incurred. The cost and related accumulated depreciation are eliminated from the financial statements upon sale or retirement of the asset and the resultant gains or losses are recognized in the Statement of Profit and Loss.

i. Depreciation methods / estimated useful lives and residual value

Depreciation is provided on pro rata basis on Straight Line Method over the estimated useful life of the assets based upon the technical evaluation done by the management. The estimates of the useful life of assets are as follows: -

Assets	Useful life
Building	60 Years
Computers	N.A.
Air Conditioners	15 Years
Furniture & Fixture	15 Years
Office equipment	N.A.
Vehicles	10 Years
Generator	20 Years

The assets residual values and useful life are reviewed by the management at the end of each reporting period. The asset carrying amount is written down to its recoverable amount if the assets carrying amount is greater than its estimated recoverable amount.

Intangible assets

Intangible assets are stated at cost less accumulated amortization and impairment. Intangible assets are amortized over their respective individual estimated useful lives on a straight-line basis, from the date that they are available for use.

Depreciation is calculated using the straight-line method to allocate their cost, net of their residual values, over their estimated useful lives as estimated by the management.

ii. Inventories

The Company does not have any inventories since the company is engaged in share and commodity broking services

iii. Provisions, contingent liabilities and contingent assets

A provision is recognized if, as a result of a past event, the company has a present legal or constructive obligation that is reasonably estimable, and it is probable that an outflow of economic benefits will be required to settle the obligation.

Contingent liabilities are disclosed in respect of possible obligations that have risen from past events and the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the enterprise, or is a present obligation that arises from past events but is not recognised because either it is not probable that an outflow of resources embodying economic benefits will be required to settle the obligation, or a reliable estimate of the amount of the obligation cannot be made. A contingent asset is generally neither recognised nor disclosed.

e) Foreign currency transactions

Foreign currency denominated monetary transactions is recorded at the exchange rates prevailing on the date of respective transactions. Realized gains and losses on foreign currency transactions during the year are recognised in Profit and Loss Account.

Foreign-currency denominated monetary assets and liabilities remaining unsettled at the Balance Sheet date are translated at exchange rates in effect at the balance sheet date. The gains or losses resulting from such translations are included in the Statement of Profit and Loss.

f) Financial Instruments**Component of Financial Instruments**

(i) Financial Assets includes, in particulars, cash and cash equivalents, trade receivables, other current receivables and callable security deposits.

(ii) Financial Liabilities includes, in particulars, borrowings, trade payables and other current Payables.

Initial Recognition:-

The company recognises financial assets and financial liabilities when it becomes a party to the contractual provisions of the instruments. All the financial assets and financial liabilities are recognised at fair value, which represents the transaction cost at the date of transaction.

Subsequent recognition & impairment : Subsequent recognition of financial assets and financial liabilities are at fair value, if the carrying amount is a reasonable approximation of the fair value it is maintained at that value. Any diminution / impairment in value is recognised in statement of profit and loss as impairment gain /loss.

Derecognition of financial assets and financial liabilities.

A financial assets is derecognised when the contractual rights to the cash flow is realised or forfeited. The financial liability is derecognised when the underlying obligation relating to the liability is fulfilled, terminated or extinguished.

g) Borrowing costs

Borrowing costs directly attributable to the acquisition, construction or production of an asset that necessarily takes a substantial period of time to get ready for its intended use or sale are capitalised as part of the cost of the asset. All other borrowing costs are expensed in the period in which they occur. Borrowing costs consist of interest and other costs that an entity incurs in connection with the borrowing of funds.

h) Cash and cash equivalents

Cash and cash equivalent in the balance sheet comprise cash at banks and on hand and short-term deposits with an original maturity of three months or less, which are subject to an insignificant risk of changes in value.

For the purpose of the statement of cash flows, cash and cash equivalents consist of cash and short-term deposits, as defined above, net of outstanding bank overdrafts as they are considered an integral part of the Company's cash management.

i) Cash Flow Statement:

Cash Flows are reported using the indirect method as per Ind AS 07, Statement of Cash Flow.

j) Cash dividend to equity holders

The Company recognises a liability to make cash distributions to equity holders of the Company when the distribution is authorised and the distribution is no longer at the discretion of the Company. As per the corporate laws in India, a distribution is authorised when it is approved by the shareholders. A corresponding amount is recognised directly in equity.

k) Earnings per Share

Basic EPS amounts are calculated by dividing the profit for the year attributable to equity holders of the parent by the weighted average number of Equity shares outstanding during the year. Diluted EPS amounts are calculated by dividing the profit attributable to equity holders of the parent (after adjusting for interest on the convertible preference shares) by the weighted average number of Equity shares outstanding during the year plus the weighted average number of Equity shares that would be issued on conversion of all the dilutive potential Equity shares into Equity shares.

l) Leases

Lease payments under an operating lease are recognised as an expense in the profit and loss account on accrual basis.

m) Impairment of assets

The company assesses, at each reporting date, whether there is an indication that an asset may be impaired. If any indication exists, or when annual impairment testing for an asset is required, the company estimates the asset's recoverable amount. An asset's recoverable amount is the higher of an asset's or cash-generating unit's (CGU) fair value less costs of disposal and its value in use. Recoverable amount is determined for an individual asset, unless the asset does not generate cash inflows that are largely independent of those from other assets or groups of assets. When the carrying amount of an asset or CGU exceeds its recoverable amount, the asset is considered impaired and is written down to its recoverable amount.

2.5 Adoption of IND-AS

These standalone financial statements for the year ended March 31, 2025 have been prepared in accordance with IND AS. For the purposes of transition to IND AS, the Company has followed the guidance prescribed in IND AS 101 - Adoption of Indian Accounting Standard, with April 1st, 2016 as the transition date and IGAAP as the previous GAAP.

The transition to IND AS has resulted in changes in the presentation of the financial statements, disclosures in the notes thereto and accounting policies and principles. The accounting policies set out in Note 2 have been applied in preparing the standalone financial statements for the year ended March 31, 2025 and the comparative information. An explanation of how the transition from previous GAAP to IND AS has affected the Company's Balance Sheet, Statement of Profit and Loss, is explained by way of reconciliation between previous GAAP and Ind AS.

Exemptions availed on adoption

a) Deemed Cost: - Ind AS 101 provides an option under Ind AS 16 "Property, Plant and Equipment", to continue with the carrying value of all its property, plant and equipment as recognized in financial statements as on transition date, measured as per the previous GAAP and use that as its deemed cost after making necessary adjustments for de-commissioning liabilities instead of measuring at fair value on the transition date.

b) Investment in subsidiaries, joint ventures and associates: - Ind AS 101 provides an option under Ind AS 27 "Separate Financial Statements", to continue with the previous GAAP carrying amount in respect of an entity's investment in subsidiaries, joint ventures and associates in the entity's separate financial statements.

The company has accordingly elected to measure such investments in subsidiary as on the transition date at their previous GAAP carrying value

2.6 Reconciliations between previous GAAP and Ind AS

The following reconciliations provide the effect of transition to Ind AS from previous GAAP in accordance with Ind AS 101.

- a) Equity as at 1st April, 2024 and as at 31st March, 2025
- b) Net Profit for the year ended 31st March, 2025.

21. FINANCIAL INSTRUMENTS AND RELATED DISCLOSURES

This section gives an overview of the significance of financial instruments for the Company and provides additional information on balance sheet items that contain financial instruments.

The details of significant accounting policies, including the criteria for recognition, the basis of measurement and the basis on which income and expenses are recognised in respect of each class of Financial asset, Financial liability and equity instrument are disclosed in Note 1 to the financial statements.

Fair value measurements

i) Categories of Financial Instruments

Set out below, is a comparison by class of the carrying amounts and fair value of the Company's financial instruments:

	As at March 31, 2025		As at March 31, 2024	
	Carrying Value	Fair Value	Carrying Value	Fair Value

Total financial liabilities	53.53	53.53	282.78	282.78

Below are the methodologies and assumptions used to determine fair values for the above financial instruments which are not recorded and measured at fair value in the Company's financial statements. These fair values were calculated for disclosure purposes only. The below methodologies and assumptions relate only to the instruments in the above tables.

Other financial assets measured at amortised cost

For other financial assets that have a short-term maturity (less than twelve months), the carrying amounts, which are net of impairment, are a reasonable approximation of their fair value. Such instruments include: cash, cash equivalents, other bank balances, Trade and Other receivables and Security Deposits.

Debt Securities, Subordinated Liabilities and Other Borrowings measured at amortised cost

The fair values of debts are estimated using a discounted cash flow model based on observable future cash flows based on terms, discounted at a rate that reflects market risks..

Other financial liabilities measured at amortised cost

For other financial liabilities that have a short-term maturity (less than twelve months), the carrying amounts are a reasonable approximation of their fair value. Such instruments include: Trade & Other payables and Security Deposits .

ii) Fair value hierarchy

All financial instruments for which fair value is recognised or disclosed are categorised within the fair value hierarchy, described as follows, based on the lowest level input that is insignificant to the fair value measurements as a whole.

Level 1: Quoted (unadjusted) prices in active markets for identical assets or liabilities.
 Level 2: Valuation techniques for which the lowest level inputs that has a significant effect on the fair value measurement are observable, either directly or indirectly.
 Level 3: Valuation techniques for which the lowest level input which has a significant effect on fair value measurement is not based on observable market data.

Quantitative disclosures fair value measurement hierarchy for assets as at 31 March 2025

	Level	Carrying value	Fair value
Financial assets measured at amortised cost			
Cash and cash equivalents	3	501.40	501.40
Investment In Equity Instruments valued at cost (quoted)	3	9.98	9.98
Investment in Gold stock	3	317.00	317.00
Security Deposit	3	304.43	304.43
Trade Receivables	3	1368.17	1368.17
Financial liabilities measured at amortised cost			
Trade payables	3	38.54	38.54
Other financial liabilities	3	14.98	14.98

Quantitative disclosures fair value measurement hierarchy for assets as at 31 March

2024

	Level	Carrying value	Fair value
Financial assets measured at amortised cost			
Cash and cash equivalents	3	885.54	885.54
Investment In Equity Instruments valued at cost (quoted)	3	8.76	8.76
Investment in Gold stock	3	0.00	0.00
Security Deposit	3	657.59	657.59
Trade Receivables	3	875.80	875.80
Financial liabilities measured at amortised cost			
Trade payables	3	264.35	264.35
Other financial liabilities	3	18.43	18.43

The carrying amounts of cash and cash equivalents, other bank balance (other than cash and cash equivalents), trade payables and other financial liabilities approximates the fair values due to their short- term nature. Investment in equity instruments and gold stock is measured at cost only, as it is assumed or valued by management that the current value of the investment is carrying cost only.

There are no transfers between any levels for fair value measurements.

Financial risk management objectives and policies

The company principle financial liabilities comprise trade and other payables. The main purpose of financial liabilities is to finance the company operation. The company financial assets include trade and other receivables and cash and cash bank balances. The company is exposed to market risk, credit risk and liquidity risk. The board provide the guidance for overall risk- management, as well as policies covering specific areas such as credit risk, liquidity risk and investment of excess liquidity

1 Market risk

Market risk is the risk that changes in market prices, such as foreign exchange rates, interest rates and equity price will affect the company's income or the value of its holding of financial instruments. The objective of the market risk management is to manage and control market risk exposures with acceptable parameters while optimizing the return. The sensitivity analysis excludes the impact of movements in the market variables on the carrying value of the post employment benefit obligations and on the non-financial assets and liabilities. The sensitivity of the relevant profit and loss item is the effect of the assumed changes in respective market risk. Financial instruments affected by market risk includes borrowings, deposit, and other financial instruments.

i. Interest rate risk

This refer to risk to company's cash flow and profit on account of movement in market interest rates.

The company is not exposed to interest rate risk as it doesn't have any borrowings.

ii. Foreign Currency risk

Currency risk is the risk that the fair value or future cash flow fluctuate because of changes in market prices. The company is not exposed to foreign currency risk as no transaction made in any other currency other than rupee.

iii Credit Risk

Credit risk is the risk of financial loss to the company if a customer or counterparty to a financial instrument fails to meet its contractual obligations and arises principally from the company's receivables from customers, loans and deposits given, investments and balances at bank. The company measures the expected credit loss of trade receivables based on financial conditions/market practices, credit track record in the market, analysis of historical bad debts and past dealings for extension of credit to customers. Individual credit limits are set accordingly. The company monitors the payment track record of the customers and ageing of receivables. Outstanding customer receivables are regularly monitored. The company considers the concentration of risk with respect to trade receivables as low, as its customers are located in several jurisdictions and industries and operate in largely independent markets. The company has also taken advances and security deposits from some of its customers, which mitigate the credit risk to an extent.

Ageing analysis of trade receivables has been considered from the date the invoice falls due.
